

# T1A Product Lines

## REZERTIF1ED+

### Original New Products

REZERTIF1ED+ is an Original New Product that has never been used and may still be in a retail box. The product comes with a pre-installed Microsoft Windows 10 Pro. The original manufacturer warranty may also be included.

## REZERTIF1ED

### Original Almost New Products

REZERTIF1ED is an Original Almost New Product. It is suitable for customers who have high standard over the visual appearance of the product. The product comes with a pre-installed Microsoft Windows 10 Pro.

## T1A

### Market-Leading Refurbished Product

T1A is the Market Leading Refurbished Product. It is suitable for professional office usage and especially for companies and users seeking a more sustainable IT profile. This product is pre-installed with Microsoft Windows 10 Pro. This product has only a few cosmetic signs of usage.

## BARGA1N+

### Regular Refurbished Product

BARGA1N+ is a Regular Refurbished Product suitable for start-up companies, schools and public use such as libraries. This product is pre-installed with Microsoft Windows 10 Pro. This product is used but in a condition that is satisfying to most people.

## BARGA1N

### Reliable Functional Product

Like our other product lines, BARGA1N is subject to an ISO certified refurbishment process. This product is suitable for home use, kids and craftsmen, rough environments where it is physically exposed. The product is installed with a Microsoft Windows 10 Home. This product is clearly used but fully functional.

**Microsoft**  
AUTHORIZED  
Refurbisher

## Microsoft Authorized Refurbisher

T1A is a Microsoft Authorized Refurbisher. Each T1A refurbished device comes with a pre-installed genuine Microsoft Windows 10. This gives the customers the same out-of-the-box experience when turning their PC on as if they turned on a brand new machine.
